Akershus Universitetssykehus, Norway

Snoring & OSA Week

(Including Coblation® Live Surgery)

February 17-20, 2010

Snoring & OSA Week

Stensby, Norway 17-20 February

International Instructional Course on surgical treatment of mild to moderate OSA

Stensby Hospital and Akershus University Hospital
Course Convenors. Dr Svetislav Mitic and Dr Erik Lie

Preliminary Programme

Course location, Norway

Stensby and Ahus University Hospital. Nearest airport is Oslo. Transportation to and from the airport will be provided.

Climate and Clothing

The weather in Stensby in February is chilly with daily temperatures around -2° Celsius. The dresscode for this meeting is casual for all occasions. Please remember to bring warm clothes, preferably wind and waterproof.

Visas and Passports

Every person coming to Norway should be in possession of a valid passport. Some countries require a Visa for visiting Norway. Please contact the Norwegian Embassy or your local Consulate for further information.

MRSA – Multi Resistant Staphylococcus Aerus

All non Norwegians that visits a Hospital in Norway is required to show proof of negative MRSA test. The test needs to be done weeks prior to the visit since the analysis takes some time. This test can be done at all major hospitals or clinics. Please bring proof of negative MRSA test with you.

Registration

Last day of registration is 20 January, 2010. The number of participants is limited to 20 and acceptance is on a first come basis. Registration fee is 500 EUR and includes: seminar and workshop, accommodation for three nights in Stensby, transportation, seminar literature, certificate of attendance, meals and social activities.

Registrations will be confirmed upon full payment together with the registration form. Please register by completing the last page of this flyer and send back to us.
